

Dear Parents and Guardians,

We are very excited to be launching the new and innovative **Playful Arts & Learning: Early Years Integrated Arts Curriculum** created by our **Fun with Composers'** team of five renowned, international arts educators. This new curriculum has been tailored to complement early childhood centers and provide an outstanding arts education for all students from toddlers to Gr. 2.

Studies show that the integration of the arts into learning environments lead to multi-layered benefits for children's cognitive, mental, emotional, physical, social, and artistic development. According to MIT, if we want smarter kids, "teach music, not coding" (Journal of Neuroscience, January 2021) and music lessons help improve language skills (MIT News, June 2018).

The Playful Arts & Learning Curriculum provides captivating, imaginative activities integrating children's literature, classical music, dramatic play, creative movement and dance, yoga, and mindfulness. At the heart of every lesson are core values that we deeply cherish: kindness, respect, empathy, generosity, inclusivity, diversity, gratitude, problem-solving, and leadership. Through play and exploration, your child will be building life skills leading them to be inquisitive, creative, and confident, whether working with others on a one-to-one basis or in groups. Your child will begin to prepare a variety of technical skills for group or private lessons in music, theatre, and dance, and experience the benefits of yoga exercises. Exposure to quality children's literature will nurture a love of reading and support early literacy.

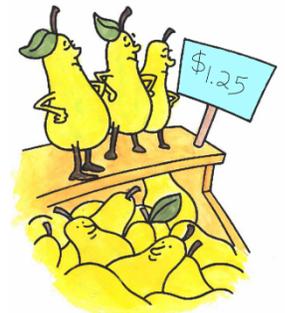

Our innovative curriculum sets the stage for your child to sing, dance, stretch, move, play, and create through meaningful activities that stimulate the imagination and bring out the best in them!

Your child can now experience the magic of the Playful Arts & Learning Curriculum's Classical Music component in the comfort of your home with a direct link to the FWC Classical Music audio files. With these fun-filled audio files at your fingertips, as parents and guardians you will witness the pure joy and excitement that your child experiences every day in school!

A few of the pieces that your child will experience include *The Marriage of Figaro* (Figaro the Magical Chef) and *Minuetto* (The Snobby Pear Dance) by Mozart, *March* from the *Nutcracker* by Tchaikovsky, and more!

1. Simply click on the link: <https://funwithcomposers.com/jfk/>
2. Enter the password: ***** We recommend copying/pasting this password as it is case sensitive (password given upon purchase).

We hope that you and your child will enjoy our special offer!
